SoundCareSM Hearing Health Benefits

Life’s getting louder. Thanks to the cranked-up volume of modern life, hearing loss has become one of the most common chronic health problems in the U.S. It afflicts more than 30 million of us - about 10% of the population has a significant hearing loss - and the number is growing. Today’s Baby Boomers have the most active and noisy lifestyle of any previous generation. And hearing loss is occurring at younger and younger ages, partly because of electronic devices that flood our society.

In addition to the obvious culprits we’re sticking in our ears - portable media players, cell phone earpieces, gaming headsets - here’s a look at common noises that affect hearing, and the amount of time it can take for hearing loss to occur:

- stadium football game: two and a half hours
- tractor: 37 minutes
- hand drill: 23 minutes
- snowmobile: 15 minutes
- leaf blower, smoke alarm, chain saw, airplane cabin: a minute and a half
- rock concert, ambulance: 9 seconds

For those employees that choose to enroll in the PPO plan they will now have a sound care benefit available to them at no additional charge. This is a new feature for this plan year and something we’re excited to offer. You can use your dental roll-over dollars to increase your sound care maximum an additional $100, which will cap the annual maximum benefit. The new benefits are outlined below.

Ameritas PPO Dental Plan

PLAN HIGHLIGHTS

Guilford County Schools offers two options under the Ameritas Dental Plan. The PPO Plan mirrors the current Standard Plan with a few differences:

LOWER PREMIUMS
• Compared to the Standard Plan, the PPO Plan can save you money depending on your level of coverage.

LOWER PROCEDURE COSTS
• To access the full value of the PPO Plan, you are strongly encouraged to utilize In-Network providers. (If you are not planning to utilize an In-Network Provider, do not sign up for the PPO Plan or your Out-of-Network benefits will be significantly reduced.)
• All In-Network Providers have a lower negotiated rate for procedures. This not only saves you money out-of-pocket, but also allows you to get more out of your Annual Maximum Allowance.
• Please see below for examples of cost savings.
